Tour # 1: Locks and Lunch

We'll bus to Ballard to walk around and explore the neighborhood, then grab lunch to go at [8 oz. burger \(vegan and vegetarian options available\)](#), and potentially visit the botanical gardens by the Ballard Locks. *Led by Steve Karceski and Chuck Lanfear (Cost: bus fare \$2.50 + lunch)*

Tour # 2: Capitol Hill:

We will take the light rail to Capitol Hill and walk to grab some coffee or tea at Kaladi Brothers Coffee. For those that want to check out a legal cannabis store, one of the group leaders will take interested folks to a pot shop up the street while the others enjoy their beverages or continue to explore the neighborhood. We will then regroup and walk around the neighborhood, ending our tour with some lunch at a local hot spot (either Pho, ramen, tacos, dumplings, or burgers, depending on preferences of the group and weather). *Led by Michele Cadigan and Maxine Wright (Cost: light rail fare \$2.70 + money for food and drinks)*
