Meeting Time: T 1:30pm - 2:20pm
Location: SMI 405
SLN: 20767
Instructor: Yuan Hsiao
View profile

Catalog Description: Addresses fundamental questions about the relationship between education and society. Examines why some students learn more and advance further than others; what factors shape how schools are run/organized and which materials are taught; how race/class/gender affect students within schools; how schools maintain our economic system and can become more effective.
