Catalog Description:
Addresses fundamental questions about the relationship between education and society. Examines why some students learn more and advance further than others; what factors shape how schools are run/organized and which materials are taught; how race/class/gender affect students within schools; how schools maintain our economic system and can become more effective.

GE Requirements:
Diversity (DIV)
Individuals and Societies (I&S)

Other Requirements Met:
Service Learning
Status: Active
Last updated: October 17, 2016 - 12:53pm
