BECKETT OP-ED ON RESTORATIVE JUSTICE IN THE SEATTLE TIMES

Submitted by Ulrika S. O'brien on May 21, 2018 - 6:44pm

Katherine Beckett and co-authors responded to critics of restorative justice in the May 17 Seattle Times, citing evidence from multiple sources that a restorative justice response to crime produces greater victim satisfaction with the process and with the outcome, than do approaches that depend only on prison and punishment.
