

ADVISOR UPDATE or MA CHAIR APPOINTMENT

As soon as possible, and no later than the end of fall quarter of the second year, all students should identify and confirm their current academic advisor. This advisor should consult with the student about developing a course of study and help plan the MA thesis and/or application to the Ph.D. program. When students are ready to appoint the full MA Committee or Ph.D. Chair (and later the full Ph.D. Supervisory Committee), they will complete the relevant petition.

Student Name: _____ **Date:** _____
