

Request for Review of Prior MA Degree

Procedures:

1. Prepare a packet of materials documenting your prior MA work. This packet should include:
 - This form, including your UW advisor's signature;
 - A short statement describing the MA program and what the thesis accomplishes;
 - The MA thesis (must be submitted in English – if your thesis was originally written in a language other than English, you may submit a translated version);
 - A transcript of prior graduate coursework.
2. Submit your materials to the **Graduate Program Advisor**. The Graduate Program Advisor will record the packet submission and pass it along to the Graduate Program Coordinator, who will coordinate the review.
3. Materials should be submitted during the first quarter of residence at UW. You can expect to learn the outcome of the review in approximately four weeks.
