This electronic grants application is intended to be used to apply for the specific Federal funding opportunity referenced here.

If the Federal funding opportunity listed is not the opportunity for which you want to apply, close this application package by clicking on the "Cancel" button at the top of this screen. You will then need to locate the correct Federal funding opportunity, download its application and then apply.

I will be submitting applications on my behalf, and not on behalf of a company, state, local or tribal government, academia, or other type of organization.

- NSF FastLane System Registration

Open Form

Instructions

1. Enter a name for the application in the Application Filing Name field.
   - This application can be completed in its entirety offline; however, you will need to login to the Grants.gov website during the submission process.
   - You can save your application at any time by clicking the "Save" button at the top of your screen.
   - The "Submit" button will not be functional until the application is complete and saved.

2. Open and complete all of the documents listed in the "Mandatory Documents" box. Complete the SF-424 form first.
   - It is recommended that the SF-424 form be the first form completed for the application package. Data entered on the SF-424 will populate data fields in other mandatory and optional forms and the user cannot enter data in these fields.
   - The forms listed in the "Mandatory Documents" box and "Optional Documents" may be predefined forms, such as SF-424, forms where a document needs to be attached, such as the Project Narrative or a combination of both. "Mandatory Documents" are required for this application. "Optional Documents" can be used to provide additional support for this application or may be required for specific types of grant activity. Reference the application package instructions for more information regarding "Optional Documents".

   - To open an item, simply click on it to select the item and then click on the "Open" button. When you have completed a form or document, click the form/document name to select it, and then click the => button. This will move the form/document to the "Completed Documents" box.
   - To remove a form/document from the "Completed Documents" box, click the form/document name to select it, and then click the <= button. This will return the form/document to the "Mandatory Documents" or "Optional Documents" box.

   - When you open a required form, the fields which must be completed are highlighted in yellow. Optional fields and completed fields are displayed in white. If you enter invalid or incomplete information in a field, you will receive an error message.

3. Click the "Submit" button to submit your application to Grants.gov.
   - Once you have properly completed all required documents and saved the application, the "Submit" button will become active.
   - You will be taken to a confirmation page where you will be asked to verify that this is the funding opportunity and Agency to which you want to submit an application.
