Instructions					
CONTRACTOR	r the application in the Applicati	277			
- You can say	tion can be completed in its entirety to your application at any time by cl	offline; however, you icking the "Save" but	will need to login to the Grants.gov website during the submission proces	SS.	
- The "Submit	button will not be functional until the	ne application is comp	lete and saved.		
	ete all of the documents listed in the "Mandatory Documents" box. Complete the SF-424 form first.				
-It is recomme		st form completed for	the application package. Data entered on the SF-424 will populate data		
			numents" may be predefined forms, such as SF-424, forms where		

a document needs to be attached, such as the Project Narrative or a combination of both. "Mandatory Documents" are required for this application. "Optional Documents" can be used to provide additional support for this application or may be required for specific types of

-To open an item, simply click on it to select the item and then click on the "Open" button. When you have completed a form or document, click the form/document name to select it, and then click the => button. This will move the form/document to the "Completed Documents" box. To remove a form/document from the "Completed Documents" box, click the form/document name to select it, and then click the <= button.

-When you open a required form, the fields which must be completed are highlighted in yellow. Optional fields and completed fields are displayed

- You will be taken to a confirmation page where you will be asked to verify that this is the funding opportunity and Agency to which you want to

grant activity. Reference the application package instructions for more information regarding "Optional Documents".

- Once you have properly completed all required documents and saved the application, the "Submit" button will become active.

This will return the form/document to the "Mandatory Documents" or "Optional Documents" box.

in white. If you enter invalid or incomplete information in a field, you will receive an error message.

Click the "Submit" button to submit your application to Grants.gov.

submit an application.
