

Sociology Major Application for Winter 2020

Due by 4:00pm on Friday, January 10th in Savery 203

PLEASE READ: You will be notified via email about your admission by end of day Friday, January 24th. If you have not received a response by this date, check your spam folder. Nearly 1/3 of student responses in previous quarters have been delayed because they went to the spam folder.

Please assemble the documents in the order listed below and staple everything together:

1. This page, which will serve as the cover sheet for your application materials.
2. An unofficial UW transcript.
3. A DARS report. Visit: myplan.uw.edu/dars *USE ANY BROWSER **EXCEPT CHROME***
4. A 1-2 page double-spaced personal statement.

*a) Please **do not** try and define the discipline of sociology. Instead we encourage you to discuss experiences that brought you to the major, favorite courses, and elaborate on your interests in specific sociological topics. You may also talk about how you envision that your education and skills will connect to your goals, as well as your immediate and longer-term career plans.*

b) Please discuss volunteer or community service activities you participate in on a regular basis and how they relate to your academic interests. While this is not considered when evaluating your application to the major, it will assist us in identifying candidates for the [Albert W. Black Undergraduate Community Service Award](#) – a year-end award that recognizes graduating sociology majors with a demonstrated commitment to public service. Be sure and check out the link!
